

Business Development Manager / Property Manager

Are you looking for a challenge?

Do you have a natural sales flair and would cherish the autonomy to grow and nurture your own portfolio?

This well respected Clayfield office is seeking a business development manager to grow and manage a premium portfolio of properties.

Your primary responsibility is to grow the rent roll. You will also be expected to manage and service a small property portfolio.

You will be self motivated, results driven and enjoy building relationships with people. Property management experience is essential.

You will be provided with training in Property Management, Sales and negotiation to keep your Business Development skills at their peak.

A competitive salary package will be offered as well as a rewarding bonus structure.

If you feel your skills and experience match those required, please send your resume in confidence to edwina@clarkrealty.com.au
